

Abstract of the Disclosure

A method for viewing a televised event. The televised event includes a few competing parties (12,13) wherein each party has a uniform that is visually distinguished in respect of the uniform of any other party of the other parties. The televised event includes a score indication (11) with score portion for each party. The method includes receiving a processed televised event for display on a display device (10). The score indication portions are colored so as to facilitate visual association of each score indication portion to a respective party according to the color of the uniform of the party.
